[REDACTED], Louisiana State University, advised that their records indicated HUMPHREY was born May 27, 1911 in Wallace, South Dakota, and that he had received a B. A. Degree from the University of Minnesota in 1939. He attended Louisiana State University from September 15, 1939 to June 24, 1940, scheduling Government and Economics courses. During this time he maintained an "A Minus" average, which is considered an excellent average. The records indicated that he passed his oral examination in Government for the M. A. Degree on June 24, 1940, and on August 28, 1942 he received his M. A. Degree after writing his thesis on "The Political Philosophy of the New Deal".

[REDACTED], Louisiana State University, advised he taught HUMPHREY while HUMPHREY attended the university working on his Master's Degree. He stated HUMPHREY was a "liberal", and explained that he meant by the term "liberal" that HUMPHREY was a strong supporter of legislation dealing with civil rights and fair employment practices. he said that he felt certain HUMPHREY was loyal to the United States and was not in sympathy with Communism or any other form of government except the democratic form of government which existed in this country. He classed HUMPHREY as a man of good character and morals, and said he had attempted to secure the services of HUMPHREY as an instructor at the university prior to the time HUMPHREY was elected Mayor of Minneapolis.

[REDACTED], Louisiana State University, stated he, too, had taught HUMPHREY at the university, and he was firmly convinced that HUMPHREY was a man of high principles, excellent character, and 100% loyal to the United States. HUMPHREY took three or four courses in Government while working on his Master's Degree, and in class he could always be expected to give a long discussion of the good side of any piece of New Deal legislation that was discussed. Since HUMPHREY held the opinion that there was absolutely nothing wrong with any New Deal legislation, he became involved in numerous arguments both in and out of class. [REDACTED] stated that from his dealings and conversations with HUMPHREY, HUMPHREY never gave the slightest indication at any time of leaning toward Communism or Socialism, and therefore he was thoroughly convinced that HUMPHREY was loyal to this country and the true democratic form of government which existed in this country. b7c

[REDACTED] was the head of the Graduate School at the time HUMPHREY secured his M. A. Degree, but RIPPIN is now deceased.

No local Baton Rouge address was available for HUMPHREY.

No record of HUMPHREY could be located at the Baton Rouge Police Department, the East Baton Rouge Sheriff's Office, or the Baton Rouge Credit Bureau.

at times had been referred to as the Denver College of Pharmacy and the Colorado College of Pharmacy. According to [REDACTED] the Capitol College of Pharmacy has been out of existence since 1945 and records of students attending this school are no longer maintained. [REDACTED] was able to verify HUMPHREY's attendance at the school because he has followed the delegate's career with special interest. He recalled HUMPHREY distinctly and stated the latter was an outstanding student, capable and extremely hard-working.

[REDACTED] advised that the Capitol College of Pharmacy was not an accredited school and by way of explanation advised that the school only offered a four months preparatory course in pharmacy to persons seeking to pass State Pharmacy Board examinations. According to [REDACTED] recollection, HUMPHREY completed the four months course in 1932.

[REDACTED] advised he has only seen HUMPHREY on one occasion since that time, which was in 1947 when HUMPHREY delivered the main address at the Retail Druggists' Convention in Chicago. Following the speech, [REDACTED] and the delegate had a long conversation discussing mutual friends and acquaintances. He regarded HUMPHREY as a man of outstanding ability and integrity. He stated he has never heard anything unfavorable regarding the delegate and has no reason to question his honesty or loyalty to the United States. b7c

[REDACTED] the Colorado Pharmacal Association, Room 207 Kittredge Building, Denver, was interviewed. [REDACTED] He stated HUMPHREY was a student at that school during either the year 1932 or 1933 and completed the required course. He stated he had only a vague recollection of HUMPHREY but believed he was a capable student and excellent in every respect. He knew of nothing which would reflect unfavorably against the delegate.

Records of the Retail Credit Men's Association, Denver, failed to reflect any credit information concerning the delegate.

Records of the Denver Police Department contain no information concerning HUMPHREY.

A. Degree on June 17, 1939, Magna Cum Laude. The records also indicate that in 1940 and 1941, Mr. HUMPHREY was enrolled in four special courses of government and political science.

[REDACTED] South Dakota, stated that Mr. HUMPHREY worked in his father's drug store at Doland, South Dakota, during vacations, as well as during school years.

[REDACTED] Huron, South Dakota, related that Mr. HUMPHREY worked in his father's drug store after the HUMPHREYS moved to Huron in 1929 and up to the time he left Huron for Minnesota in about 1937.

[REDACTED] Brown's Drug Company, 600 Washington Avenue Southeast, Minneapolis, Minnesota, advised that Mr. HUMPHREY worked [REDACTED] from about 1937 to 1939 while attending the University of Minnesota. [REDACTED] characterized Mr. HUMPHREY as a very hard worker, conscientious, competent and one who was very well liked by all persons with whom he came in contact. [REDACTED] explained that Mr. HUMPHREY had previously worked for the Swoboda Drug Store near the University of Minnesota Campus, but explained that this drug store has been out of business for many years and the owner, Mr. SWOBODA, has been dead for quite some time.

[REDACTED] the University of Minnesota, Minneapolis, Minnesota, related that Mr. HUMPHREY was a teaching assistant for one school year in 1940-41 in the Political Science Department. He was extremely well liked by his associates and students, and [REDACTED] had no hesitancy whatsoever in recommending Mr. HUMPHREY for any type of assignment given to him by the United States Government.

[REDACTED] University of Minnesota, stated [REDACTED] knew him better later on when Mr. HUMPHREY became a member of the staff at the University. [REDACTED] recalls that Mr. HUMPHREY was exceedingly well liked by the students, and that Mr. HUMPHREY spearheaded a drive in the Democratic Farmer Labor movement in Minnesota to remove the Communists from that party. [REDACTED] further stated that he knows the members of HUMPHREY's family very well and stated they are all beyond reproach.

~~CONFIDENTIAL~~

[REDACTED]

[REDACTED] explained that Mr. HUMPHREY was employed in the Workers Education Program under the WPA and was hired expressly to counteract the influence that some members of Communist groups had in the Workers Education Program of the WPA. [REDACTED] commented that Mr. HUMPHREY did a very good job; that he has confidence in his ability to handle all his assignments in the best interest of his government. [REDACTED] explained that one of the reasons Mr. HUMPHREY was picked for the job in the Workers Education Program was because of his knowledge of labor elements, various groups of Communists and his ability to stand up to these people without being pushed around. [REDACTED] has no reason whatsoever to doubt Mr. HUMPHREY's loyalty to this country.

[REDACTED]

[REDACTED] related that he knew Mr. HUMPHREY quite well from 1941 to 1943, when Mr. HUMPHREY was director of the Workers Education Program under the WPA. [REDACTED] recalls that Mr. HUMPHREY later was responsible for removing most of the Communist element out of the Democratic Farmer Labor Party and felt that this accomplishment on the part of Mr. HUMPHREY, in itself, was enough of a recommendation for any type of assignment which would be given to Mr. HUMPHREY. [REDACTED] stated that while at Macalester College, Mr. HUMPHREY was well liked by his associates and appeared to be very well grounded for politics both theoretically and practically. An article appearing in the St. Paul "Pioneer Press," a reputable daily newspaper, for October 15, 1949, related that Senator HUMPHREY told 3,500 eastern New York state school teachers at Albany, New York, that this nation was suffering a wave of "mass hysteria" over Communism and stated further: -

"These people who are sponsoring this mass hysteria actually are striking out against any manifestation of independent, creative thought. These Communists are just a nuisance, like fleas on a dog. We see evidence of this witch-hunting hysteria in all sorts of loyalty investigations, investigations of teachers, attempts to purge the schools and to censor the school books. It is an insult to the American people to tell them a handful of zealots are capable of turning America topsy-turvy."

## Office Memorandum • UNITED STATES GOVERNMENT

As you will recall we received a request from the Labor Department to conduct an investigation of Senator Humphrey as a delegate for the International Labor Organization. These investigations are conducted under Public Law 843 of the 80th Congress. Senator Humphrey was advised of this investigation prior to its institution. This investigation has now been completed and is ready for transmittal to the State Department.

During the course of this investigation considerable derogatory disloyal information concerning the Senator was ascertained. In the main it showed Senator Humphrey's close connection with known Communists and Communist infiltrated organizations in connection with his election for mayor of Minneapolis in 1945. It is apparent from the information developed that this association on the part of Humphrey was for political purposes and that he himself used the Communists for his own personal gain rather than espousing their doctrines.

Senator Humphrey, during the course of an interview with a Special Agent of the Bureau in 1945, admitted that he was a liberal and that he had had to associate with Communists for political reasons. He advised that he had no use for the Communists as such.

The derogatory information which follows appears on the Administrative pages of the Minneapolis report which are being deleted from the report before transmittal to the State Department. It is felt that the information contained therein would not help the State Department in its determination of the desirability of Senator Humphrey to act as a delegate, as it shows no connection between Humphrey and the Communist Party for other than political reasons. Further it is not known the ultimate disposition which the State Department will make of this report and in fairness to Senator Humphrey it is felt that this information should not be passed amongst other Government agencies:

An article appearing in the St. Paul "Pioneer Press," a reputable daily newspaper, for October 15, 1949, related that Senator HUMPHREY told 3,500 eastern New York state school teachers at Albany, New York, that this nation was suffering a wave of "mass hysteria" over Communism and stated further: -

"These people who are sponsoring this mass hysteria actually are striking out against any manifestation of independent, creative thought. These Communists are just a nuisance, like fleas on a dog. # VISIT TO NINE AFRICAN NATIONS BY VICE PRESIDENT

HUBERT H. HUMPHREY

DECEMBER 29, 1964 TO

JANUARY 10, 1965

UPI-66

(HUMPHREY)

KINSHASHA, THE CONGO--VICE PRESIDENT HUMPHREY FLEW IN TODAY FROM GHANA AND WAS GREETED BY ANTI-VIETNAM STUDENTS WHO THREW STONES AT HIS MOTORCADE AND SHOUTED, "MURDERER, GO HOME!"

THEY MILLED AROUND HIS CAR IN THE FIRST ANTI-AMERICAN DEMONSTRATION OF HUMPHREY'S AFRICAN GOODWILL TOUR.

SECURITY OFFICERS SAID THE 150 STUDENTS INVOLVED WOULD NOT HAVE BEEN ABLE TO GET CLOSE TO THE CAR BUT FOR THE FACT IT SLOWED ALMOST TO A HALT WHEN THE FRENCH-SPEAKING DRIVER APPARENTLY BECAME CONFUSED ON THE WAY FROM KINSHASHA AIRPORT TO MEET PRESIDENT JOSEPH MOBUTU.

HUMPHREY'S CAR, A CONVERTIBLE WITH THE TOP CLOSED, DROVE AWAY UNSCATHED BUT THE FOLLOWING PRESS AND OFFICIAL CARS WERE HIT BY A COUPLE OF STONES AND THUMPED BY THE DEMONSTRATORS WITH THEIR FISTS.

THE DEMONSTRATORS UNFURLED A BANNER ALMOST 10 FEET LONG WHICH SAID: "WE CONDEMN UNITED STATES IMPERIALISTS."

THE DEMONSTRATORS MILLED AROUND THE WIDE BOULEVARD IN FRONT OF THE SITE WHERE A MONUMENT TO PATRICE LUMUMBA, THE CONGO'S FIRST PREMIER, IS BEING BUILT.

ONLY SCATTERED GROUPS TURNED OUT ELSEWHERE TO SEE HUMPHREY'S ARRIVAL BECAUSE TODAY IS A HOLIDAY MARKING THE JAN. 4, 1959, ANTI-BELGIAN RIOT WHICH LED TO CONGOLESE INDEPENDENCE. THE KINSHASHA STOP IS HUMPHREY'S FOURTH ON A NINE-NATION AFRICAN TOUR.

HUMPHREY'S CAR WAS PRECEDED BY THREE TRUCKLOADS OF CONGOLESE SOLDIERS AND FOLLOWED BY TWO GROUPS OF BLUE COATED PRESIDENTIAL MILITARY GUARDS.

AFRICAN SECURITY SOURCES SAID AMERICAN OFFICIALS WERE TIPPED A WEEK AGO OF THE POSSIBILITY OF AN AIRPORT DEMONSTRATION BY PRO-COMMUNIST STUDENT ELEMENTS BUT HUMPHREY TURNED DOWN A SUGGESTION BY OFFICIALS THAT THEY SUPPRESS ANY SUCH SHOW IN ADVANCE.

HUMPHREY DROVE TO THE ORGANIZATION OF AFRICAN UNITY VILLAGE ON MOUNT STANLEY FOR AN HOUR AND 15 MINUTE MEETING WITH MOBUTU AT HIS HOME OVERLOOKING THE CONGO RIVER RAPIDS.

ALSO ON HIS SCHEDULE WAS A TOUR OF THE LAMBA VILLAGE PROJECT SPONSORED BY U.S. AID, A MEETING WITH LOCAL AMERICANS AND A BANQUET GIVEN BY MOBUTU FOR 200 GUESTS IN THE DINING HALL OF THE VILLAGE BUILT LAST YEAR TO HOUSE THE HEADS OF STATE AT AN OAU SUMMIT MEETING.

IN A PREPARED ARRIVAL STATEMENT HUMPHREY SAID THE UNITED STATES HAD BEEN ABLE "TO SUPPORT THE DEDICATED EFFORTS OF THE CONGO IN THE TASK OF INDEPENDENT NATION BUILDING."

Hon. Robert H. Humphrey

Dear Mr. Humphrey:

The enclosed piece of malicious mail may have come to your attention or it may have no importance. In either case it can be destroyed.

Though I have found no one else on our faculty at Northwestern University who received a copy, certainly it must have wide distribution. I can throw no light on how I happen to be on some French mailing list, unless it is because I attended in July the meeting of the International Federation of Home Economics in Bristol, England.

Dear Mr. Humphrey,

It is quite probable that others before me have called your attention to a particularly vicious folder which has appeared in the current campaign.

It reached me yesterday from France. I am enclosing both the folder itself and the envelope in which it arrived.

There is no background information of any sort in my possession to explain how such a horrible transmission can be explained.

I renew all good wishes and the assurance of my poor prayers.

With sentiments of esteem and kindest regards, I remain

## FEDERAL BUREAU OF INVESTIGATION

Date October 21, 1968

RUTH L. BONDE, Chairman, Department of Home Economics, Northwestern University College of Arts and Sciences, Evanston, Illinois, was contacted by the interviewing Agent at her offices. She indicated that her schedule was such that she would be unable to be interviewed in person for several days and requested that she furnish any information which she had telephonically.

BONDE indicated that she received through the mails an envelope which was postmarked in France. This envelope contained a cartoon depicting Vice President HUBERT H. HUMPHREY and President LYNDON BAINES JOHNSON. Beneath the faces of these two men was a road adjacent to which appeared tombs marked M. LUTHER KING, R. KENNEDY, and J.F. KENNEDY. In addition, was the statement:

"The tombs of J.F. KENNEDY, M.L. KING, and ROBERT F. KENNEDY are milestones in the 'great society' of L.B. JOHNSON and H.H. HUMPHREY. If you prefer

- racial injustice and violence
- the unpopular, dirty war in Viet Nam
- the dollar crisis
- attempts on the life of popular statesmen

vote for H.H. HUMPHREY for President."

This letter contained no other literature and was addressed to her at her home, 1511 Hinman Avenue, Evanston, Illinois. She has discussed the receipt of this literature with other members of the faculty at Northwestern University but to date she has not heard of anyone else receiving similar communications.

She sent this literature to Mr. HUMPHREY in Washington shortly after she received it. She indicated that she had no idea of any individual or group in France who might have sent this literature to her. She has no friends or acquaintances currently living in France, but did meet several French people at a meeting of the International Federation of Home Economics held in Bristol, England in July of this year. She did not feel that any of the persons she met at this convention were

involved in this matter and indicated that no political matters whatsoever were discussed at this meeting.

BONDE stated that she is not actively engaged in political activity at either the national or local level. She is a member of the Evanston Democratic Club but holds no office in this organization and does not participate to any great degree. She does not engage in any political activity with faculty or student groups on the Northwestern Campus and is not a member of any civil rights organizations. She stated that she has never actively campaigned for any candidate for public office although she did make a financial contribution to the Senatorial campaign of Senator DOUGLAS of Illinois in 1966.

She indicated that the only connection she might have with Vice President HUMPHREY was the fact that she was a member of the Home Economics Department at Mc Allister College, St. Paul, Minnesota, at the same time that Mr. HUMPHREY was connected with the Political Science Department of that institution. At that time, she had a casual acquaintance with Mr. HUMPHREY but doubts that he would remember her at this time.

RUTH L. BONDE furnished the following background information concerning herself:

Archbishop LEO BINZ was interviewed at the Jesuit Retreat House and advised that he received a hate-type, scurrilous type of campaigning material impugning reputation of Vice President HUBERT H. HUMPHREY, which was received through the mail sometime in mid September, 1968. The envelope was addressed to him at his St. Paul, Minnesota, residence and bore a French post stamp indicating it had been mailed in France. He stated the postmark was blurred and not decipherable and he promptly forwarded this material to Vice President HUMPHREY in Washington, D.C.

Archbishop BINZ advised that he has no idea of the source of this material except he was positive it did not emanate from the United States. He stated that he had made inquiries and had not developed any information indicating that subject material was received by other hierarchy of the Roman Catholic Church. He stated he did not know anyone in France who may have a contributory influence in the transmission of this type of material.

ANONYMOUS CAMPAIGN MATERIAL CONCERNING  
VICE PRESIDENT HUMPHREY

On October 23, 1968, Mr. Samuel J. Archibald, Executive Director, Fair Campaign Practices Committee, Inc., 328 Pennsylvania Avenue, N. W., advised a Special Agent of the Federal Bureau of Investigation the only information he has received regarding printed matter mailed from France intended to "smear" Vice President Hubert H. Humphrey consists of information furnished by the Vice President's office which consisted of two letters sent to the Vice President by two private citizens identified as Archbishop Leo Binz of 366 Summit Avenue, Saint Paul, Minnesota, and Ruth L. Bonde, 1511 Hinman Avenue, Evanston, Illinois. Both of these individuals wrote to the Vice President enclosing identical drawings depicting Vice President Humphrey and President Lyndon B. Johnson against a background of the American Flag. Underneath the drawings of Vice President Humphrey and President Johnson were drawings of the graves of John F. and Robert F. Kennedy and Martin Luther King. In addition, the drawing depicted a group of individuals who appeared to be dressed in robes as worn by Ku Klux Klansmen.

Accompanying the drawing was a printed form stating that the tombs of the Kennedy brothers and Martin Luther King were milestones in the "Great Society" of Vice President Humphrey and President Johnson. The form warned the reader that if one prefers racial injustice and violence, the war in Vietnam, the dollar crisis and attempts on the lives of statesmen, then he should vote for Humphrey. He said he routinely forwarded this matter to the Justice Department.

# Memorandum

TO : Clarence M. Kelley  
Director

FROM : Henry S. Ruth, Jr.

DATE: June 27, 1975

SUBJECT: Committee for the Nomination of Hubert H. Humphrey, Inc.; Possible Violations of 2 U.S.C. 434(b)

Asst. Dir.:	
Dep. Asst. Dir.:	
Dep. Asst. Dir.:	
Asst. Dir.:	
Ident.	1975

Director Sec'y	

The General Accounting Office has referred to the Attorney General the Committee for the Nomination of Hubert H. Humphrey, Inc. for failure to timely report receipts of approximately \$460,000 and expenditures of approximately \$420,000 during the period of April 7, 1972 to February 28, 1973. During that period, the Committee reported receipts and expenditures of approximately \$2,600,000. In the summer of 1973 the Committee filed amended reports to correct the previous omissions.

The Committee, through its attorneys, presented a detailed analysis of the reporting omissions and the reasons therefor. According to the analysis, there appear to be two principal reasons for the reporting omissions. First, the Committee assumed responsibility for record-keeping and reporting on behalf of all state and local committees supporting Humphrey throughout the nation without exercising adequate supervision. Second, the Committee implemented a computerized record-keeping system without adequate checks and controls.

The Committee concludes that all reporting omissions were due to inadvertence and mistake, not to any concerted plan to conceal information.

Attached as Exhibit A is a list of the state and local committees which appear to be responsible for the majority of the transactions which were not reported by the Committee on a timely basis. Please note that each list contains the name and address of the committee Treasurer, along with the details of the significant unreported transactions.

EXP. PROC.

In order to determine the reasons for the reporting errors, it is requested that the Bureau interview each of the Treasurers. In each instance, determine the method employed for reporting receipts and expenditures to the national Committee. Determine whether or not the Treasurer received confirmation of receipt of the information from the national Committee. Also determine if the Treasurer employed a system for informing the national committee of the receipt of specific significant contributions, such as, for example, a \$5,000 or \$10,000 contribution. Obtain documentation wherever possible.

With regard to the Los Angeles Committee, determine why no reports were sent to the National Committee after June 27, 1972. Determine when and how the National Committee ultimately received the information not reported after June 27, 1972. Determine whether or not the Treasurer was instructed not to report after June 27, 1972. The Committee's analysis of errors also indicates that the June 26, 1972 report of the Los Angeles Committee and the June 1, 1972 report of the Los Angeles Dinner Committee were not received. Determine how and when the Treasurer learned the reports were not received and how and when he originally and ultimately informed the Committee of the information contained in those reports.

With regard to the New Jersey Committee, the analysis of errors indicated that the report for the period including May 26, 1972 through June 7, 1972 was not received by the reporting clerk. Determine how and when the Treasurer learned the reports were not received, and how and when he originally and ultimately informed the Committee of the information contained in the reports. Please obtain the same information with regard to the Nebraska Committee, the San Francisco Committee, the Minnesotans for Humphrey Committee and the San Diego Committee.

Because of the three-year statute of limitations it is requested that these interviews be conducted as soon as is practicable.
